Mercy Crew

Open House

Genesee Waterway Center
Wednesday, August 24
6:00 p.m. – 8:00 p.m.

Please join Mercy Crew at the Genesee Waterways Center! We'll show you around the boathouse, answer questions about the sport, and might even take you for a ride on the water!

If you are entering *grades 8 through 12*, and are considering joining Mercy Crew, here are some things to think about:

- Crew is a valuable college recruitment tool
- It is the fastest growing sport in the country
- Crew operates during all three seasons (regattas in the fall and spring – training during the winter)
- Crew has no tryouts
- No experience is needed-everyone is a beginner

**Conditions permitting - a parent signed waiver will be needed for those wanting to get in a boat and experience firsthand the fun of rowing. Waiver forms are available on the Mercy Crew website (mercycrew.org) and will be available for parent signature on the day of the open house.*
